To request the workflows demonstrated in this webinar, please complete [this request form](#) and a member of the support team will be happy to add these to your account. The automated 'Sell By Chat' workflows and actions are included as part of your standard GLM Subscription, and are free to request and use.

The AI Features demonstrated in this webinar, however, are Premium Actions which require a payment method on file to cover charges in a pay-as-you-go capacity. Find out more about Premium Features [here](#).
