Log In to Your Website

Laura Gibson - 2026-07-24 - [Your Website is Live](#)

Log in to WordPress dashboard

You should get the email with instructions to change your password.

1. Go to your website login page (usually `yourdomain.com/wp-admin`).
2. Enter your username and password.
3. Click Log In:

Security Tips for Logging In

- Use a strong, unique password to protect your website.
- Avoid logging in on public or shared devices.

If you suspect unauthorized access, update your password immediately and notify Kilo Support.
