Restore Deleted Contacts

Mavilyn Carlos - 2026-10-22 - Contacts

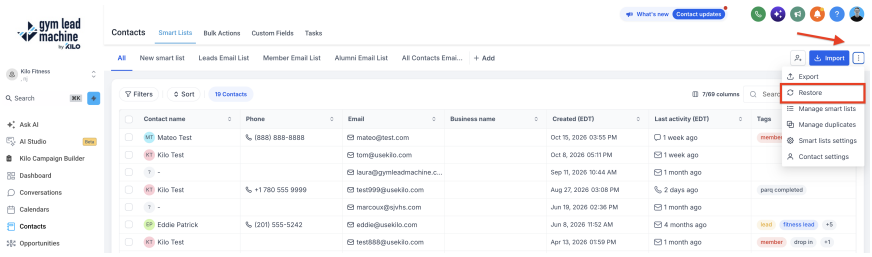

If you need to **restore a deleted contact** or multiple contacts in Gym Lead Machine, you can recover them along with their associated data such as opportunities, notes, tasks, and more.

What you can do

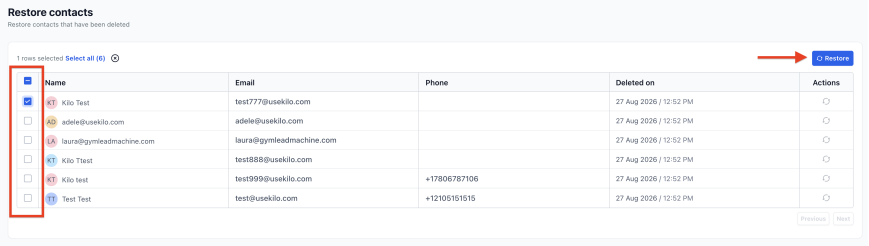

- Restore a single deleted contact from the Restore tab
- Restore multiple deleted contacts at once
- Restore all contacts removed in a bulk delete
- Recover the contact's related data along with the contact

How do I restore contact(s)?

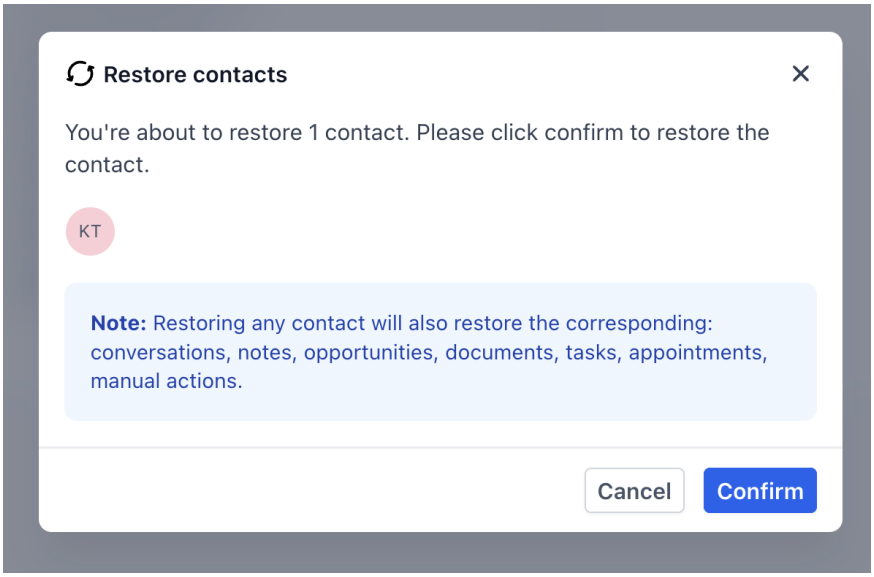

1. Navigate to the **Contacts** section in your Gym Lead Machine account.
2. At the top of the Contacts page, click on the three vertical dots next to “Import” then click **Restore**.

3. Select the contact(s) you wish to restore and click **Restore** on the right-hand side.

4. A modal will appear. Click **Confirm** to restore the contact.

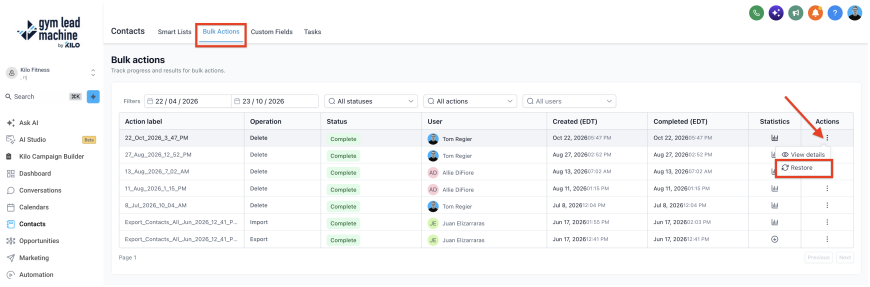

This action will restore the contact along with their:

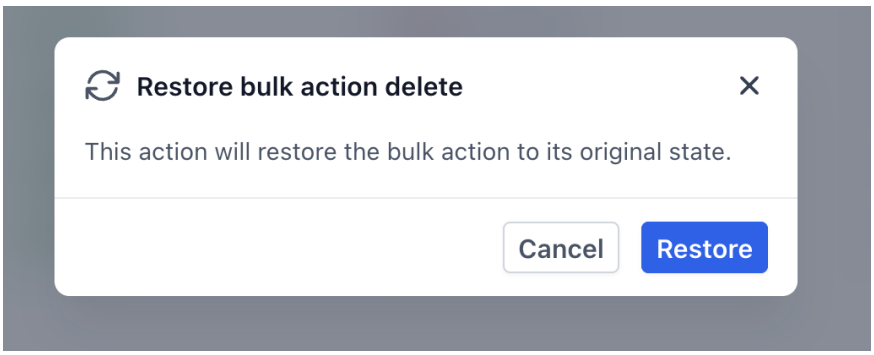

- Opportunities
- Notes
- Tasks
- Appointments
- Conversations
- Campaigns/Workflows

How do I restore contacts from a bulk delete?

1. Go to **Bulk Actions**, click on the three dots next to the bulk delete action, and choose **Restore**.

2. Confirm the action by clicking **Restore**. Then the restore process will begin, and you can monitor its progress and statistics on the Bulk Actions page.

If you have questions about restoring deleted contacts in Gym Lead Machine, our Support team is happy to help. Reach us at **hello@usekilo.com**.
