Update Your Website Footer

Mavilyn Carlos - 2026-08-04 - [Editable Website Templates](#)

Your website's **footer** holds your business information: contact info, opening hours, address, social media links, and more. You can update all of it yourself in WordPress, and the form fields make changes like a new address quick to complete.

Watch the video below for a walkthrough, or read on for the steps.

Note

- Before making any changes to your website, update your business information in your Google Business Profile first. Your website and your Google Business Profile should always match exactly: business hours, phone number, business email, and address. Keeping this information consistent is important for local SEO and helps Google trust that your business information is accurate.
- This article covers the information blocks in your footer. To change which page links appear in your footer menu, see [Update Your Site Menu](#).

What you can do in your footer settings

- Change the footer logo
- Add or remove social media links
- Update your opening hours
- Update your address

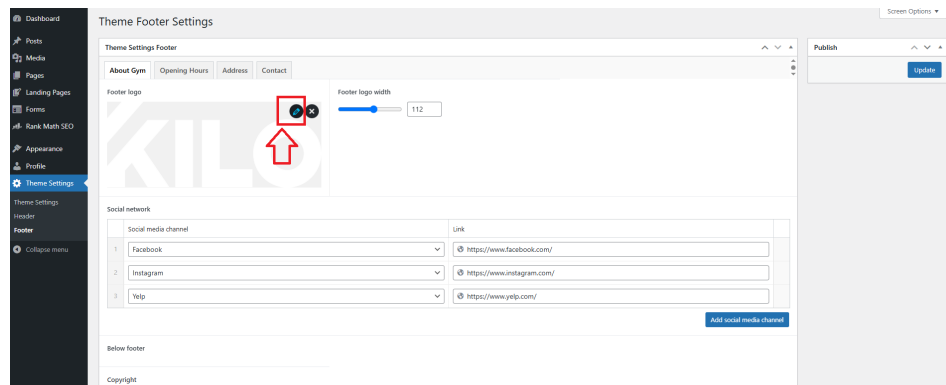

- Update your contact information

All of these settings live in one place: go to **Theme Settings → Footer** in the left sidebar of your WordPress dashboard. The page shows every listed item within the footer of your site. After making changes in any section, click **Update** and the changes will be reflected on your website.

About Gym

Change the footer logo

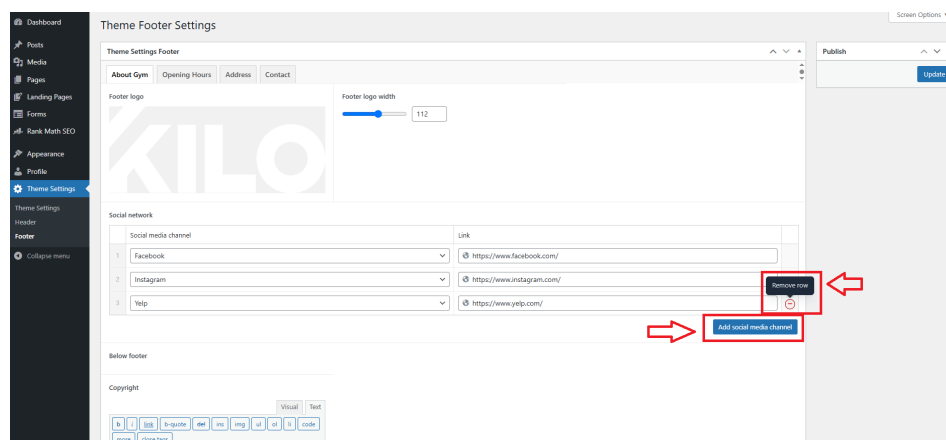

To change the website logo, hover over the footer logo and click the **pen icon**.

Update social media

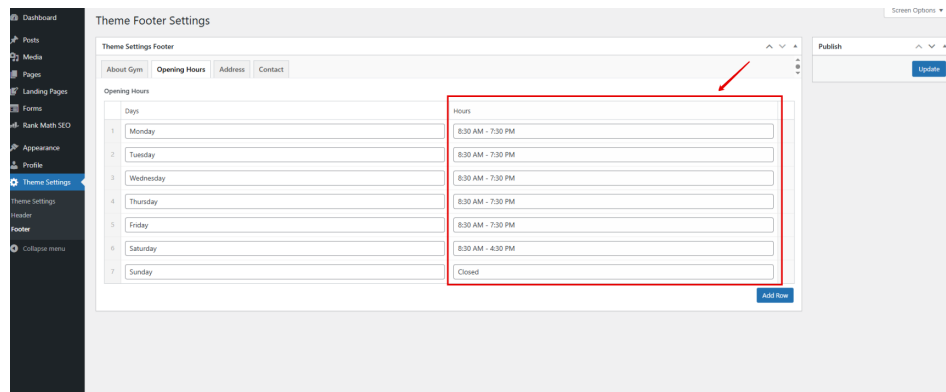

You can delete existing social media links or add new ones inside the **Social Network** section.

1. To delete a social media link, hover over that row and click **Remove row**.
2. To add a new one, click **Add social media channel**, choose the platform from the dropdown, and add the URL.
3. Click **Update**.

Opening hours

To change your opening hours, click inside the **Hours** field, make your edits, and click **Update**.

The screenshot shows the 'Theme Footer Settings' interface with the 'Opening Hours' tab selected. A table lists the days of the week with corresponding opening hours. A red box highlights the 'Hours' column, and a red arrow points to the 'Update' button.

Days	Hours
1 Monday	8:30 AM - 7:30 PM
2 Tuesday	8:30 AM - 7:30 PM
3 Wednesday	8:30 AM - 7:30 PM
4 Thursday	8:30 AM - 7:30 PM
5 Friday	8:30 AM - 7:30 PM
6 Saturday	8:30 AM - 4:30 PM
7 Sunday	Closed

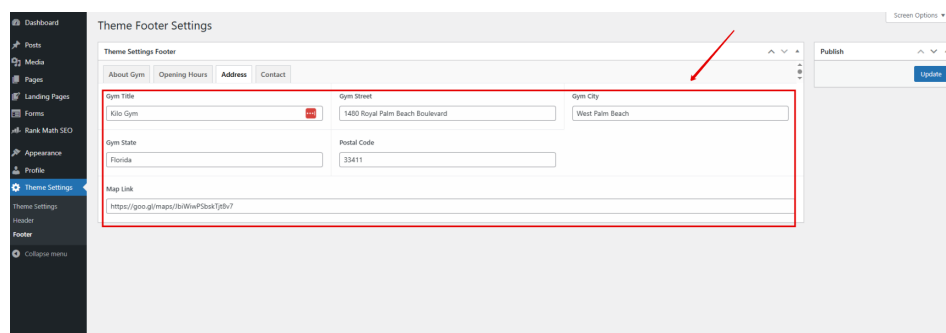

Warning

Do not update your opening hours unless you have also changed them in your Google Business Profile. The two need to match.

Address

If you switch locations, the footer's address form fields make the update straightforward. Fill out the fields with your new information and click **Update**:

- **Gym Title**
- **Gym Street**
- **Gym City**
- **Gym State**
- **Postal Code**
- **Map Link**

The screenshot shows the 'Theme Footer Settings' interface with the 'Address' tab selected. A form contains fields for Gym Title, Gym Street, Gym City, Gym State, Postal Code, and Map Link. A red box highlights the address fields, and a red arrow points to the 'Update' button.

Gym Title	Gym Street	Gym City
Kilo Gym	1400 Royal Palm Beach Boulevard	West Palm Beach

Gym State	Postal Code
Florida	33411

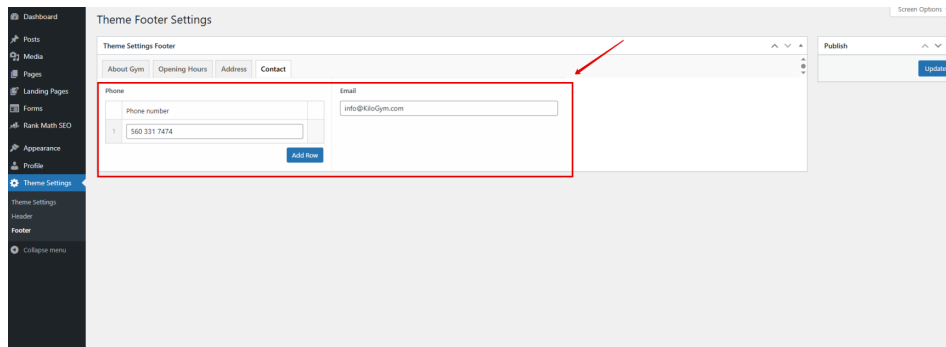

Map Link: <https://goo.gl/maps/btWlWpDokTjblv7>

Warning

Do not update this section unless you have also changed it in your Google Business Profile. The two need to match.

Contact

Update your phone number and business email in the Contact fields, then click **Update**.

The screenshot shows the 'Theme Footer Settings' interface. On the left is a dark sidebar with a menu containing: Dashboard, Posts, Media, Pages, Landing Pages, Forms, Rank Math SEO, Appearance, Profile, Theme Settings (highlighted), Theme Settings (sub-item), Footer, and Collapse menu. The main content area is titled 'Theme Footer Settings' and has tabs for 'About Gym', 'Opening Hours', 'Address', and 'Contact'. The 'Contact' tab is active. It contains two input fields: 'Phone number' (with the value '560 331 7474') and 'Email' (with the value 'info@KiloGym.com'). Below the phone number field is an 'Add Row' button. A red rectangle highlights these two input fields. To the right of the main content area is a 'Publish' button and an 'Update' button. A red arrow points from the 'Update' button towards the contact fields.

Warning

Do not update your phone number unless you have also changed it in your Google Business Profile. The two need to match.
