Your Website Dashboard Explained

Laura Gibson - 2026-07-24 - [Your Website is Live](#)

Depending on whether you have an **Editable Website** or a **Concierge Website**, your level of control and access to features will differ.

Editable Website

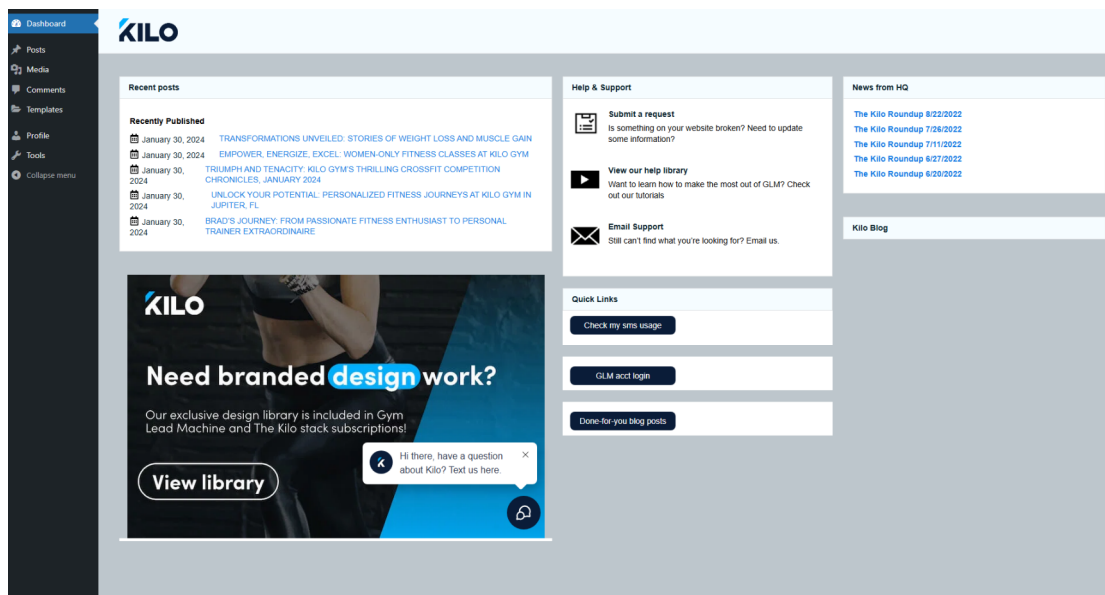

Here's the dashboard view when logged in as an Editor:

Note: For website-only clients, the role is Website Only Editor.

Concierge Website

Here's the dashboard view when logged in as an Author (Kilo dashboard):

Editable vs. Concierge Websites: What You Can Edit

	Feature	Editable Website	Concierge Website
	Edit and update pages	Yes	No (managed by Kilo)
	Write and publish blog posts	Yes	Yes
	Adjust theme settings (colors, logos, opening hours, social media URLs, etc.)	Yes	No (managed by Kilo)

Have more questions about your website dashboard? Email our Support team at hello@usekilo.com.
