Tip of the Week # 107: Build Interactive Surveys and Landing Pages with AI Studio

2026-09-22 - Tom Regier - [Tip of the Week](#)

You can now build websites, landing pages, and other interactive pages in Gym Lead Machine by describing what you want in plain language. **AI Studio** turns your prompt into a working first draft that you can refine, connect to your forms and calendars, and publish.

- Start from a prompt, a template, a reference link, or an image
- Refine copy, colors, and layout with follow-up prompts or quick visual edits
- Connect your forms and calendars, then publish to a preview domain or your own custom domain
