2026-08-25 - Tom Regier - [Tip of the Week](#)

You can now set up a **Voice AI Agent** in Gym Lead Machine to answer inbound calls to your gym automatically. Your agent can greet callers, collect their info, answer questions from your Knowledge Base, book appointments, and hand off to a team member when a call needs a human touch.

- Answers calls with a custom AI voice and greeting, day or night
- Collects caller details and updates their contact record automatically
- Books appointments and transfers calls to your team when needed
